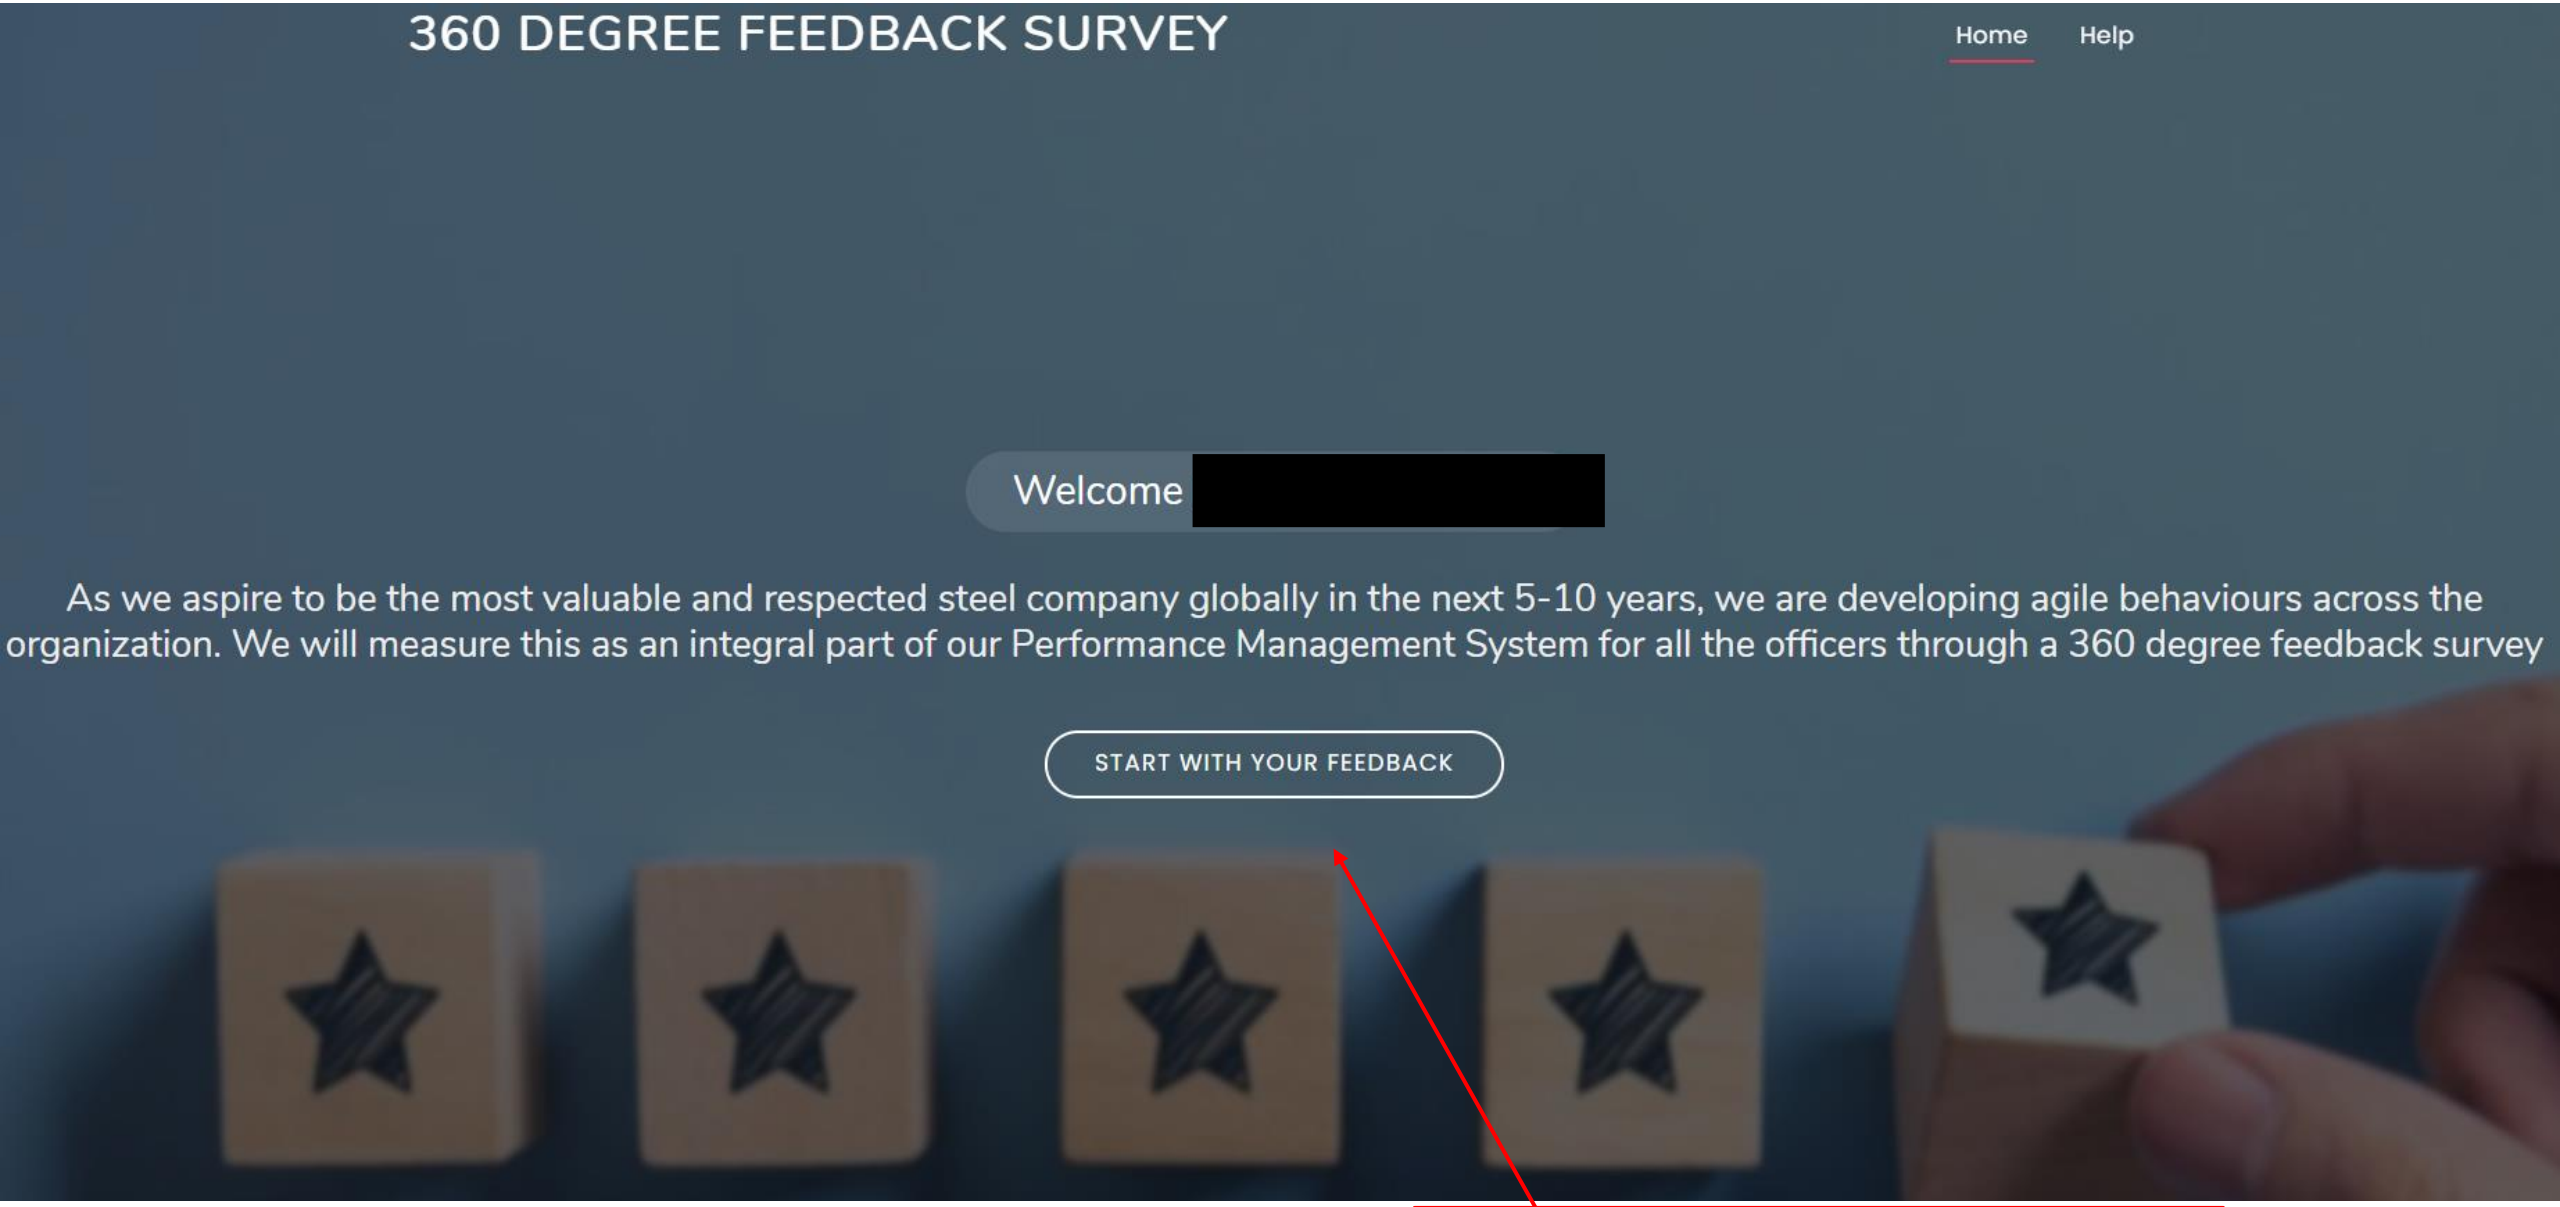
Navigation Handbook on 360 Degree Feedback – ***Completion of Survey***

Upon clicking the link provided in the mail, the user be directed to the following page



Click on “Start with your Feedback”

YOUR FEEDBACK

You may wish to reject any survey triggered to you if you feel that you are not informed enough to respond for the particular officer. The option to reject would remain open only for the first 5 days from the date of triggering of the survey. Please note that this option should be exercised very carefully because it may affect an individual's report generation criteria

P.no	Name	Designation	Department	Status
[redacted]				Pending
				Pending
				Pending
				Pending

The list of assesses with pending/ completed feedback would appear. On clicking the status button, the survey for the respective assessee would be visible (scroll down to view the same)

Rate [redacted] on the following statements

Insufficient Exposure to provide feedback

Click to reject any survey triggered to you if you feel that you are not informed enough to respond for the particular officer. The option to reject would remain open only for the first 5 days from the date of triggering of the survey. Please note that this option should be exercised very carefully because it may affect an individual's report generation criteria

Q1 **If [redacted] consistently displays either of the mentioned behaviours, then select the corresponding circle below the statement,else select the circle in the middle**

Sets comfortable, easily achievable goals for oneself

Sets truly challenging goals for oneself and delivers on committed outcome

Does not collaborate with others even when required

Works together with others to accomplish shared goals

Needs constant follow-ups, does not respond on time

Proactively communicates and responds promptly to stakeholders

Disregards team members' concerns and makes no efforts to resolve them

Actively listens to team members' concerns and makes genuine efforts to resolve them

The respondent has to provide feedback against all the objective questions and the two subjective questions at the end

P.S. – The number of questions and its content is level specific and would vary as per the impact level of the assessee

Q2
