360 DEGREE FEEDBACK SURVEY

Home Help

D People Development

- Promotes a transactional culture without any feedback and where compliant views are encouraged
- Is satisfied with team members just delivering within their scope of work
- Holds talent in the same role for long periods
- Has a weak following - Team members are not excited to be on their team

- Promotes an open trust-based culture where real-time feedback and logical dissent is encouraged
- Coaches and enables team members to achieve truly ambitious goals
- Enables career movement and growth and does not hold talent
- Has a strong following - Team members aspire to be on their team
