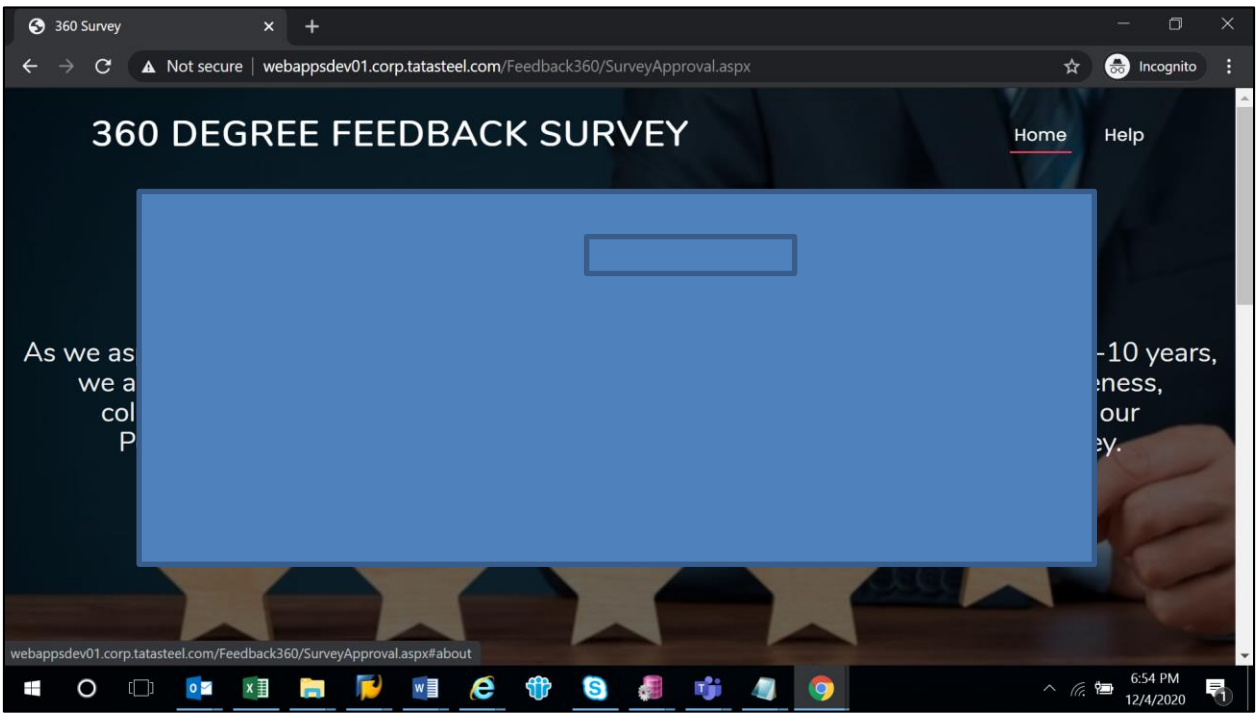
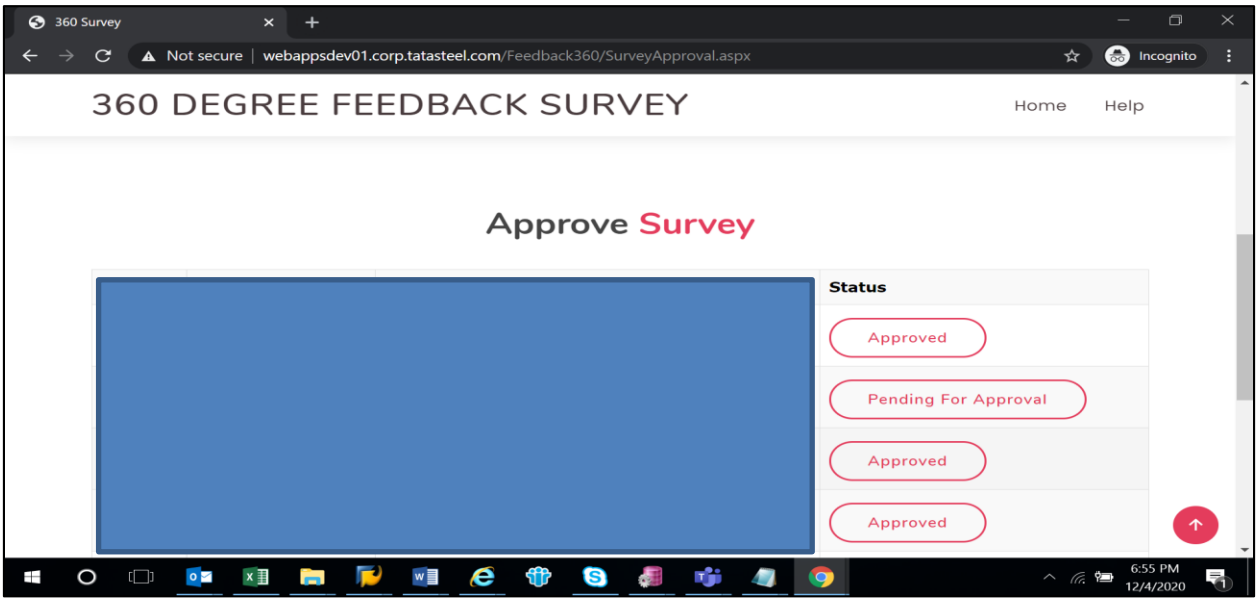
Steps for approving the Respondents list for the 360-degree feedback survey

1. Click on the Survey Link for approving the list of Respondents: -
https://irisapp.corp.tatasteel.com/feedback_360/SurveyApproval.aspx

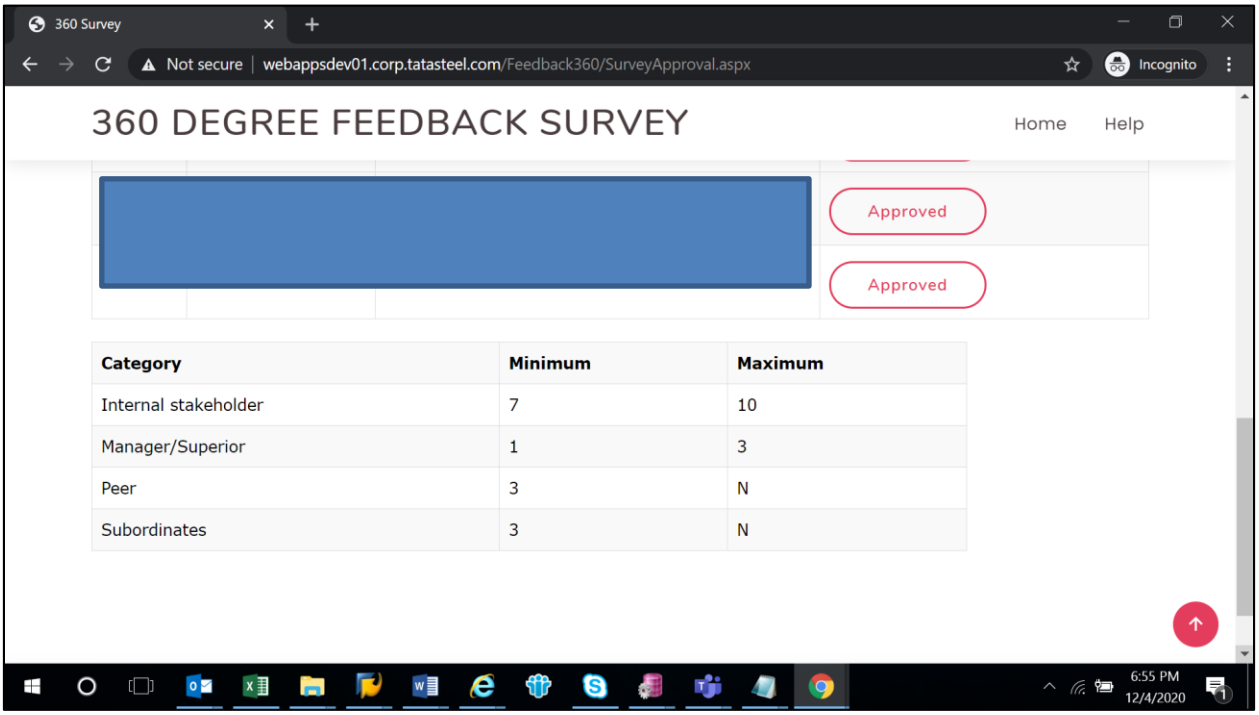
[Please access this link from TSL registered device.
***Officers on deputation can access this link via Citrix Xenapp- Steps detailed at the end.**
Recommended Browser: Laptop: Google chrome || Mobile/ ipad / Tab: Microsoft Edge]



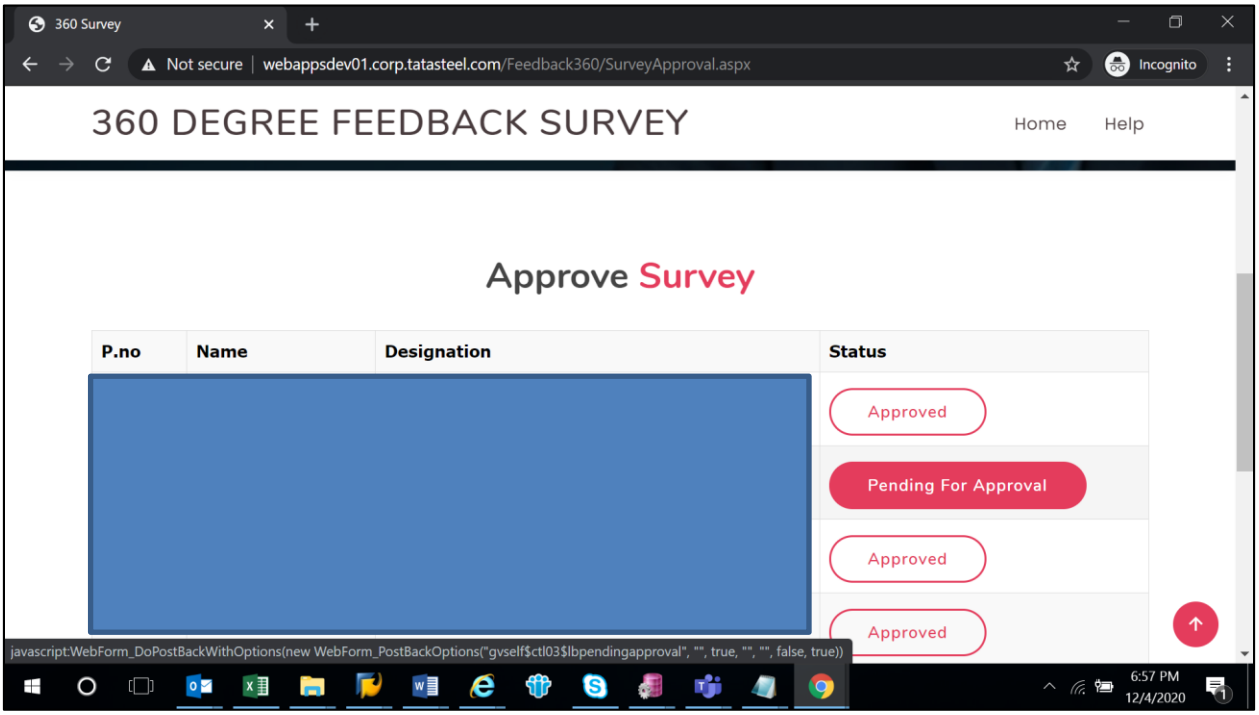
2. Click on **"APPROVE SURVEY"** button



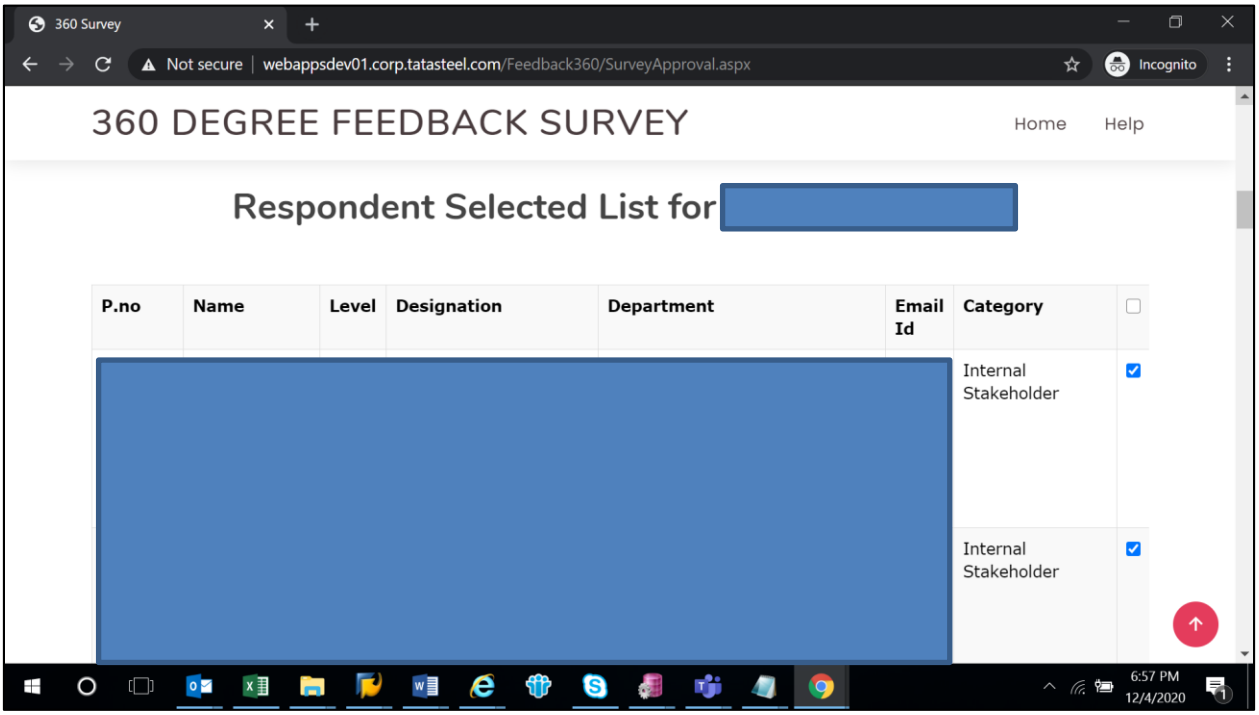
3. Upon scrolling down, the manager can find guidelines for choosing the minimum and maximum number of respondents under each category.



4. Click on **"Pending for Approval"** to approve the list of respondents for a particular officer.

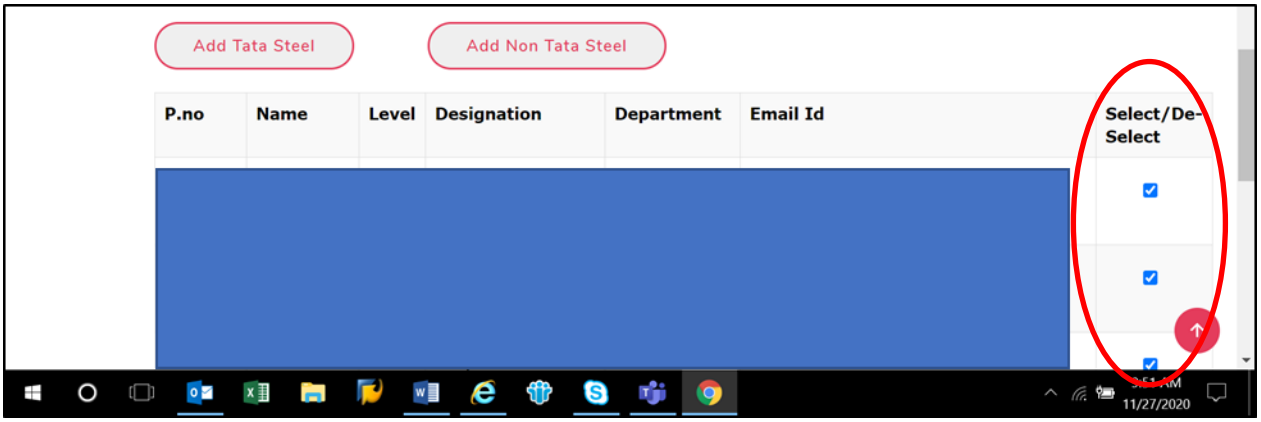


5. After clicking on **"Pending for Approval"**, the following screen would appear. The manager can make changes in the list of respondents if required. The manager can either approve or return the form to the officer with remarks.



In order to add Respondents in a category, please click on **"Add Tata Steel"** or **"Add Non Tata Steel".** While adding Tata Steel respondents, by giving Personal number/ Name, all the other details will get auto-populated.

For removing respondents from a category, please untick the box against the respondent name.



THANK YOU!
