360 DEGREE FEEDBACK SURVEY

Home | Pending For Approval | Return To Assesse | Revert Feedback | Report | Help

Welcome **Admin**

As we aspire to be the most valuable and respected steel company globally in the next 5-10 years, we are developing agile behaviours across the organization. We will measure this as an integral part of our Performance Management System for all the officers through a 360 degree feedback survey

ADD RESPONDENT

Click here to add/modify respondent list of the assessee list presently active in your BU

- The Home Page allows the Admin (BUHR) to make changes (add/modify) to the respondent list of the officers in their respective BUs.
- The BUHR would have visibility of all the details pertaining to the officers for whom they are tagged as BUHR in SAP.
